There will be a total of 50 races including finals.

Welcome to the 2005 South Eastern Centre Championships, the first at our new venue. We are greatly indebted to land owners John and Kate Leigh-Pemberton for all the help they have given during the preparation for this meeting. Kate has kindly agreed to present the trophies at the end of racing today, so please, both riders and spectators let's show our appreciation for this year's champions with your support at the presentation ceremony.

New for this is the introduction of the upright solo class, so popular at regular events these days. It is in fact the biggest single class listed today and promises some entertaining racing. The Jack Thomas Trophy is presented at this event each year, alternating through the classes; this year it is the turn of the Left Hand Sidecar section.

Although sad to record, it is appropriate to do so here. Bernie Edwards, a regular 250 cc competitor for many years and stalwart of GTSA recently suffered a fatal heart attack indeed after contributing so much in the early stages of preparation for today's event. We will certainly miss you Bernie.

The logistical challenge of moving circuits is one that requires much time and manpower. Thanks to the services of J & S Harman, this was accomplished relatively painlessly and we are indebted to them for their help. Preparation is one thing, help on the day is another. So, in this respect, we must thank St Johns for providing their medical services, together with all other marshals and officials essential for our event today.

Finally when the tapes go up may we all enjoy, whether watching or riding, some close courageous competition for the 2005 South Eastern Centre Championships.

Jim Wiseman, Chairman GTSA Racing Ltd

RACE PROGRAMME

Welcome to the SE Centre Championships, a niche in the calendar that GTSA are well on the way to making their own. There are some interesting and historic trophies on offer today, not least the EW Preece Trophy for the Unlimited Class, a competition dating back to 1933. Although all classes are equally important, and Unlimited classes are unusual in contemporary grass track, because of its history the Unlimited is generally regarded as the main event at today's meeting.

Current champion Richard Smith is the man to beat on 350s this season, but is sure to be pressed hard by Dave Mears and Bob Dolman, both of whom have qualified on 500s for the British Masters Final to be run by Maidstone Aces at Northiam on September 18th. Hot money must be on Richard.....but you never can tell. Sadly, Matt Etherington and Rhys Wilding are likely non-starters due to injuries incurred at the Masters Qualifier last week.

Environmental Note

GTSA Racing Ltd would like to remind all spectators and competitors to dispose of any unwanted rubbish thoughtfully. Please use the waste bins provided for this purpose. We wish to leave the land as tidy as we found it and do not want to jeopardise any future events here.

The 1-2-3 last year was Adam Shipp, Lee Street and Gary Wells, since then Lee Street has added the 2005 British Championship to his collection, after Adam Shipp had suffered a rare fall. All three are in the programme for today, so the stage is set for a for a good contest. The lively 250s, mainly 2 strokes, are always an interesting class, in addition to last year's main winners we have Paul Simmons and Chris Still, Chris being a returnee to the 250s after a spell in the 350s.

Defending SE Centre Champions are Tony Penfold/Carl Bell, lined up against British Champions Terry Nicholas/Michael Raymond. Today Tony has Steve Fish on the chair. People say that the left handers are looking up, certainly we have had some spirited racing this year, and have a good turnout today with some of the newer names, only a few more and there will be three blocks of heats. Apart from the teams mentioned, the G Drake/M Phillips pairing must be in with a chance after their win at High Easter over Terry Nicholas/Michael Raymond, coming from behind on the last lap.

A class that started as encouragement for some of the senior riders 'to give it another go' these machines now form a regular class at most meetings. Entries have been attracting younger elements who find this style of machine easier to ride. The mix of age and experience provides some spirited competition.

We are very pleased to welcome Paul Hurry as defending both the 500 and Unlimited Championships. Not only did Paul cut his teeth on grass track racing in the South East he is a leading international rider and the current UEM European 500cc Champion, so many congratulations are due. Paul, the current British Masters Champion and the new European Champion first won the Preece Trophy in 1996 so will be looking for his third win. In 2004 it was Richard Smith second in the Unlimited on a 350 and Vince Kinchin third. Sadly Vince is out of action at present due to a racing injury incurred in Holland, we wish him well in his recovery. As to today's racing, Paul must be favourite, but if he makes a slip there is a whole bevy of riders between whom there is little to choose, but it must be the supporting places that are likely to be the most hotly contested.
