WORLD'S MOST FAMOUS

TT 1907-1989

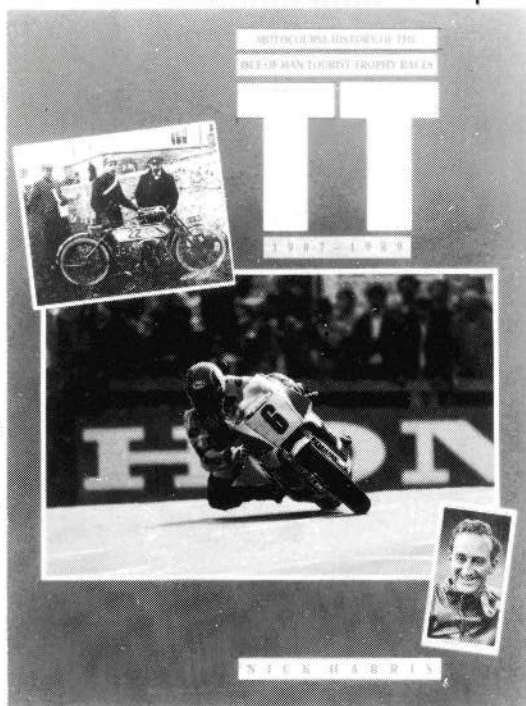

MOTOCOURSE HISTORY OF THE ISLE OF MAN TOURIST TROPHY RACES

Read how the extraordinary Stanley Woods started his TT career by setting himself and his bike on fire. Share the excitement of Bob McIntyre's first 100 mph lap, and feel the tension before the mighty Hailwood/Agostini confrontation in 1967. Witness one of the greatest-ever come-backs in international sport, and read about Joey Dunlop's 13 TT victories.

Nick Harris's 82-year history of the legendary TT races is interspersed with technical notes by Mick Woollett. Personal anecdotes abound, reproductions of reports from old magazines, race programmes and other memorabilia recreate the TT atmosphere of past decades, while dramatic colour photographs and tumbling lap records underline the speed and excitement of more recent races.

A detailed results section covers every TT race ever run and completes this unique and comprehensive history of the most famous motor cycle races in the world.

224 large-format pages, 32 pages of colour, hardback with dust jacket. Price £19.95.

Available on the Isle of Man from all bookshops, video shops and Duke Video stands, and from the IOM Tourism Special Projects Unit, Douglas. Also, from bookshops throughout the UK. In case of difficulty please contact Hazleton Publishing, 3 Richmond Hill, Richmond, Surrey TW10 6RE. Phone 081-948-5151

T.T.R.A. LAP OF HONOUR

For machines and riders who can bring back to the TT the memories of the races of yesteryear. The event is a parade and no times or speeds will be recorded — or announced.

MV Agusta machines 1-6 are genuine ex-TT machines of their era. All Rudgees celebrate the great 1930 Senior/Junior double victory. All Nortons celebrate the 40th anniversary of the introduction of the 'Featherbed'.
