WARNING

MOTOR SPORT CAN BE DANGEROUS

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen. Please remain in permitted areas only and comply with all instructions of marshals and notices.

THEY ARE CONCERNED WITH YOUR SAFETY.

WELCOME!

This year we are back at the Kent Gliding Club for the start and finish, as we were in 2002 and 2003. Some of this year's byways have been used in previous Sidcup LDTs and some used by the OWLS Club in theirs of a few years ago.

Kent County Council are doing their duty and maintaining byways, although sometimes we would like them to be left a bit more 'challenging' for us. One long byway near Shadoxhurst has been completely destroyed by the 4x4 brigade "having fun". We are avoiding it so you do not have to tackle the water and mud-filled ruts which would swallow your front wheel completely!

For some reason, only 33 of the 79 riders who entered last year's trial are back this year. The number who has entered all nine Timber Woods LDTs is down to just three – they are shown in **Bold** in the following list of riders.

This year it has been a bit of a struggle to get done the multitude of necessary tasks for the trial to take place. Whether we go through it all again in 2009 remains to be seen. However, for this year, have a good and safe Timber Woods Trial and see you back at the Gliding Club.

Peter Burrell, Club President

FINAL INSTRUCTIONS

Arrive at the start with sufficient time for signing on, scrutineering and affixing your Road Book sheets.

Scrutineering will be from 8:00am. You will be asked to start your engine and any bikes with what we decide is an excessively noisy exhaust will not be allowed to start the event.

Please do not have competition numbers on your bike – it gives the locals the impression that the trial is a race. You will be given a trials number card to stick on your front number plate.

Sign on before you start when you will be given a Road Book. This will be ten A4 sheets and uses the 'box diagram' system showing junctions with Direction Posts (DP) and kilometres and miles from one junction to the next.

ROAD TRAFFIC ACT INSURANCE: This year, your entry fee includes the ACU arranged one-day cover, details available on request or at signing-on. You must all sign the 'Locktons' form at the signing-on desk.

TOILETS and REFRESHMENTS will be available at in the Gliding Club cafeteria before, during and after the event.

PETROL ON THE ROUTE: The road book will indicate filling stations on the route and those just off the route.

All observers have mobile phones and can contact the start for you. The Clerk of the Course's mobile number is **07709 699092**.

TEAMS: To enter a team of 3 riders for the Team Award is free. More team entries will be accepted up to 9:00am on the day.

START TIMES: To keep the start area orderly, there will be a 5 point penalty on any riders who start more than 5 minutes later than their time in the programme.

FINISH

To be classified as a finisher, you must sign off at the end of the event.

TYRES

Any Road Legal tyres will be OK, except for the "road legal Motocross tyre" which isn't.

SPECIAL TEST

Ties will be decided by a Special Test. This is on private land somewhere on the course and clearly marked when you are there.

SECTIONS

These will open and close at times shown on the Roadbook.

We will ensure the section markers are large and clear.

Inspection of sections on foot is not allowed. 10 marks if you do!

Marking will be as ACU Trials Standing Rule 22(b), which is:

Clean	0 marks
Footing once	1 mark
Footing twice	2 marks
Footing more than twice	3 marks
Failure	5 marks
Personal request not to attempt a Section	5 marks
Not attempting a Section when called upon to do so by an Official	10 marks
Missing a Section for any reason	10 marks

Section markers are **RED** on the **RIGHT**, **BLUE** on the **LEFT**. You must ride between these markers that define section boundaries.

REGISTRATION NUMBERS

Please ensure your Reg. Number is legal before the start and clean before leaving byways for more normal roads.

ROUTE MARKING: Orange enduro arrows with the Road Book box number will be put up at a few places to emphasise the route. Otherwise, it's down to you to follow the Road Book directions.

EXCLUSION

Any riders noted as riding dangerously or with excessive speed or noise will be immediately excluded. **Any such riders will not be accepted at any future Sidcup L.D. Trial or Enduro, and other clubs will be asked to reject their entries.**

Any rider who is accompanied by rider(s) who are not taking part in the event will be excluded.

Any breach of the ACU Sporting Code, MSA Rules, Supplementary Regulations or Final Instructions may result in exclusion.
