WARNING

MOTOR SPORT CAN BE DANGEROUS

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen. Please remain in permitted areas only and comply with all instructions of marshals and notices.

THEY ARE CONCERNED WITH YOUR SAFETY.

WELCOME!

The wet spring and warm summer has given rise to overgrown byways, and Kent Council's budget for clearing them has shrunk in proportion! Some byways have been omitted as they are impassable – anyone got a narrow combine harvester?

The Timber Woods LDT is the third event in as many weeks, and we have the British Motocross Championship for Sidecars and Quads next week (2 Oct).

Entries for the Witley 100 Long Distance Trial on 23rd October are open, on-line using the ACU entry system.

Enjoy your Timber Woods LDT ride in Kent and see you back at the Gliding Club.

Peter Burrell, Club President

FINAL INSTRUCTIONS

Arrive at the start with sufficient time for signing on, scrutineering and affixing your Road Book sheets.

Signing on will be from 8:00am. Machine Examination will be at the start - you may be asked to start your engine and any bikes with what we decide is an excessively noisy exhaust will not be allowed to start the event.

We will not be checking that you have a bike driving licence or that your bike is taxed, tested, insured and road legal. You have signed an entry form stating everything is legal – please ensure that it is.

Please do not have competition numbers on your bike – it gives the locals the impression that the trial is a race. You will be given a trials number card to stick on your front number plate.

Sign on before you start when you will be given a Road Book. This will be eleven A4 sheets and uses the 'box diagram' system showing junctions with Signposts and kilometres and miles from one junction to the next.

ROAD TRAFFIC ACT (RTA) INSURANCE: Almost all motorcycle insurance policies have the exclusion "...racing, pace making, speed testing, rallies, competitions and trials". However, the ACU Permit now includes one-day RTA cover while you are riding in the event at no cost to you.

REFRESHMENTS including an excellent Full English Breakfast are available in the Gliding Clubhouse – enjoy, but don't miss your start time!

PETROL ON THE ROUTE: There are filling stations on and off the route and the Roadbook will indicate these and their mileages from the start.

START TIMES: To keep the start area orderly, there is a 5 point penalty for any riders who start more than 5 minutes later than their programmed time.

TYRES: Any Road Legal tyres will be OK.

FINISH: To be classified as a finisher, you must sign off at the end of the event.

SPECIAL TEST: Ties will be decided by a Special Test. This will be somewhere around the route and indicated in the Roadbook.

REGISTRATION NUMBERS: Please ensure your Reg. Number is legal before the start and clean it before leaving byways for more normal roads.

ROUTE MARKING: Orange enduro arrows with the Road Book box number will be put up at a few places to emphasise the route. Otherwise, it's down to you to follow the Road Book directions.

SECTIONS These will open and close at times shown on the Roadbook.

We will ensure the section markers are large and clear.

Inspection of sections on foot is not allowed. 10 marks if you do!

Marking will be as ACU Trials Standing Rule 22(b), which is:

Clean	0 marks
Footing once	1 mark
Footing twice	2 marks
Footing more than twice	3 marks
Failure	5 marks
Personal request not to attempt a Section	5 marks
Not attempting a Section when called upon to do so by an Official	10 marks
Missing a Section for any reason	10 marks

Section markers are **RED** on the **RIGHT**, **BLUE** on the **LEFT**. You must ride between these markers that define section boundaries.

EXCLUSION Any riders noted as riding dangerously or with excessive speed or noise will be immediately excluded. *Any such riders will not be accepted at any future Sidcup Long Distance Trial, Enduro or Hare & Hounds, and other clubs will be asked to reject their entries.*

Any rider who is accompanied by rider(s) who are not taking part in the event will be excluded. A breach of the ACU Sporting Code, MSA Rules, Supplementary Regulations or Final Instructions may result in exclusion.
