WARNING

MOTOR SPORT CAN BE DANGEROUS

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen. Please remain in permitted areas only and comply with all instructions of marshals and notices.

THEY ARE CONCERNED WITH YOUR SAFETY.

WELCOME!

This year's Timber Woods route is the one from 2014 with some amendments including reducing the mileage from 112 miles and cutting out riding through Dover. 'Amendments' to some of the byways are bushes and trees poking branches into the byway! You will be 'caressed' on many occasions, but we are doing our bit to keep the routes open by using them.

Last year 81 riders entered, 81 started and 81 finished the route. It's 97 this year; how about all 97 ride back to the Gliding Club after completing the course?

Enjoy your Timber Woods LDT ride in Kent and see you back at the Gliding Club.

Peter Burrell, Club President

FINAL INSTRUCTIONS

Arrive at the start with sufficient time for signing on, scrutineering and affixing your Road Book sheets.

Signing on will be from 8:00am. Machine Examination will be at the start - any bikes with what we decide is a noisy exhaust will not be allowed to start the event. We will **not** be checking that you have a bike driving licence or that your bike is taxed, tested, insured and road legal. You have signed an entry form stating everything is legal – please ensure that it is.

Please do **not** have competition numbers on your bike – it gives the locals the impression that the trial is a race. You will be given a trials number card to stick on your front number plate.

Sign on before you start when you will be given a Road Book. This will be eleven A4 sheets and uses the 'box diagram' system showing junctions with Signposts and kilometres and miles from one junction to the next.

ROAD TRAFFIC ACT (RTA) INSURANCE: the ACU Permit now includes one-day RTA cover while you are riding in the event **at no cost to you**.

REFRESHMENTS including an excellent Full English Breakfast are available in the Gliding Clubhouse – enjoy, but don't miss your start time!

PETROL ON THE ROUTE: There are filling stations on and off the route and the Roadbook will indicate these and their mileages from the start.

START TIMES: To keep the start area orderly, there is a 5-point penalty for any riders who start more than 5 minutes later than their programmed time.

TYRES: Any Road Legal tyres will be OK.

FINISH: To be classified as a finisher, you must sign off at the end of the event.

SPECIAL TEST: Ties will be decided by a Special Test. This will be somewhere around the route and indicated in the Roadbook.

REGISTRATION NUMBERS: Please ensure your Reg. Number is legal before the start and clean it before leaving byways for more normal roads.

ROUTE MARKING: Orange enduro arrows with the Road Book box number will be put up at a few places to emphasise the route. Otherwise, it's down to you to follow the Road Book directions.

EXCLUSION Any riders noted as riding dangerously or with excessive speed or noise will be immediately excluded. **Any such riders will not be accepted at any future Sidcup Long Distance Trial, Enduro or Hare & Hounds, and other clubs will be asked to reject their entries.**

Any rider who is accompanied by rider(s) who are not taking part in the event will be excluded. A breach of the ACU Sporting Code, MSA Rules, Supplementary Regulations or Final Instructions may result in exclusion.
