Good evening everyone,

Thanks for coming to what promises to be a great night. This is it...the Big One, the final round, the chance for one, two or three great riders to go home with a major championship to his name. Will it be current leader, teenager and Suzuki GP rider Kelly Swanson? He's always cool, calm and collected and must be the favourite. But with someone like flamboyant Paul Cooper on a Yamaha chasing you there's no time to make mistakes and over the last two rounds Paul has shown true Supercross qualities. Local favourite Matt 'Flash' Gordon still has an outside chance of snatching the title. He missed the first round due to injury otherwise I am sure he would have been right up there.

With other riders like Pratley, Prestwood, ex-champion Ryan Hunt, Hoptrough, Bates, Campbell and Johnson all in the fray and all keen to earn a major slice of the overall prize money, the racing is sure to be intense.

Tonight the quads also make a welcome return and should provide yet more entertainment, and with a charity auction taking place in the interval for some gear from some famous riders there's plenty of action...Enjoy it!

Tim.

For 1993 we hope to run a still bigger and better series and hopefully it won't rain as much! We'd like to know who you are and where you come from so if you'd like to fill in the panel below and send it to us, we'll be able to keep you informed of all that's going on, and of any special offers that we hope to make. Just to encourage you, the first slip opened between now and the 16th September will receive a cheque for £50! Fill in the coupon...it could be you!
