THE BARRIE BARKER TROPHY

Barrie Barker worked as a trainee at Bolsover Colliery and had been a member of the Chesterfield Sporting Riders Motor Cycle Club only a couple of years, before he was tragically killed in a motor cycle accident. At 17 years old, he had all the world to live for. His first love was motor cycle scrambling. An active member of the Y.M.C.A., his other hobbies were football and collecting football programmes. Barrie was a fun loving youngster who was always ready to give or take a joke. Only a fortnight before his sudden death on 18th May 1978 he had taken third place in one of the Club's Tramp Suppers. It is with these memories in mind that we, the members of the Chesterfield Sporting Riders Motor Cycle Club, have subscribed towards the magnificent trophy which is on view and will be raced for this afternoon. I am sure that whichever of today's riders wins this tribute to a member of our Club who will always be remembered will be as proud of winning it as we are at presenting it.
