RICHARD GREENAWAY MEMORIAL TROPHY

This trophy is presented by the Honda Owners Club, Chesterfield Branch, as a token of respect to Richard Greenaway, who as a stalwart member of the Club showed great enthusiasm for motor cycling in its many forms.

Richard was fatally injured in a road accident late last year. His death was a great shock to his family and to his many friends in the motor cycling world in and around Chesterfield.

It is with this in mind that the Honda Owners Club wish to perpetuate his memory by presenting this Trophy and replica, and this we take great pleasure in doing today.

Presentation to be made by Bill Allen member of the Honda Owners Club, Chesterfield Branch.

You are present at this meeting entirely at your own risks and the admission is SUBJECT to the CONDITIONS that all persons having any connection with the promotion and / or conduct of the Meeting including the owners of the land and the drivers and owners of the vehicles are absolved from all liability in respect of personal injury (whether fatal or otherwise) to you or Damage to your property however caused.

THE CHESTERFIELD SPORTING RIDERS MOTORCYCLE CLUB

The Chesterfield Sporting Riders M.C.C. is a Club of motorcycle enthusiasts offering organised scrambling and trials for all ages from 8 years upwards. The Club is well established and respected in the scrambling and trial field. Safety is the prime concern of all officials and the courses are designed with this in mind. The St. John or Red Cross are present at all meetings and offer a first class service.

Accidents are few and far between with occasional injuries. In most cases a rider who slides off is quickly back on his bike battling to regain the lost ground. Marshals and stewards ensure that the safety code is adhered to at all times. This is a family sport where the whole family is involved. Father obviously finances his son's equipment and is generally chief mechanic and carries the can for failure and problems. Mum can help with the raffle on the day or help in other ways. Parents act as marshals around the course or as stewards, starting marshals, scrutineers or lap scorers, let us not forget those parents who lay out the courses.

What does it do for the boy, you might ask. It develops character, self discipline, an interest, total enthusiasm for his equipment, the sport, and his own development as a rider.

The Club meets at the 'Corner House', Saltergate, Chesterfield, every Thursday at 8.00 p.m. We have our own room so children can come with Dad. If you are interested in joining the Club come along on any club night, we will make you most welcome.
