RM250 — MAKING THE COMPETITION EAT DIRT. . .

ASK THE PRESS:

- The best suspended production motocrosser built.
Motocross Action Feb '88
- Suzukis '87 suspension was good. This year its close to "works".
Dirt Rider (USA) Dec '87
- This bike hits harder than any 250 we can remember.
Dirt Rider (USA) Dec '87
- The sense of power and speed is overwhelming.
Dirt Bike Rider Dec '87
- If you're on the starting line and you aren't on a Suzuki you've got to be wondering how good your chances are. The Suzuki is the clear-cut winner.
Super Motocross (USA) Feb '88
- A strong motor, faultless suspension and a chassis able to cope with both, make the RM a major contender for the best 250 of '88.
Motocross Rider Dec '87
- We've already said that 1988 is the year of the 250. Now we can honestly say it's also the year of the yellow bike.
Dirt Rider (USA) Dec '87

AMCA NEWS

No. 194 - 3rd October, 1988.

A GOOD SEASON FOR THE A.M.C.A. INTERNATIONALS

The 4 home Internationals this year have seen three new circuits for the first time at Horseley, Purton and the A.M.C.A. owned Bevercotes circuit. Not only did the riders chosen for the A.M.C.A. Teams seem to enjoy the events it is also reflected in the results when A.M.C.A. riders practically dominated the results and for two riders they managed good results abroad to lift the 4 titles.

For several years A.M.C.A. riders have dominated the 125, and 250 I.M.B.A. classes and now the 500's and Sidecars are looking strong. Congratulations to all the riders and especially to the clubs who have run the 'home' Internationals, it shows the depth of strength in the Association when 3 clubs take on these meetings for the first time and do well, lets hope more clubs will follow their example. Thanks to Stroud, Cirencester, Ollerton and Shobdon Clubs. We soon hear about the meetings when problems arise, but as usual praise is not so generously given.

27th NOVEMBER MOTO-CROSS

Shepperton Club are holding a Moto Cross on the 27th November at Matchams, Nr. Ringwood, Hants open to any A.M.C.A. Licence Holder. Entry sheets will be at Clubs shortly.

TRIALS NEWS

With another trials season about to start which is also the oldest championship series in the A.M.C.A. a reminder to anyone interested that all the events will be run on closed circuits which means bikes don't need taxing etc.

Also A.M.C.A. Moto X licence holders are covered by Insurance and most organising clubs will have dual sections which gives the Non Experts an easier section to ride, than the Intermediates and Experts.

Different coloured markers will be used to show the way through the sections and Non Experts will have different coloured numbers Black numbers on Old Gold Background and Intermediates and Experts the usual Black on White. Numbers are available from the A.M.C.A. Office.

A.M.C.A. ENDUROS
