## ANNOUNCEMENTS !!

*It would be appreciated if all those attending today's Meeting would kindly read the following announcements, which are of a direct interest and concern to them.*

1. The event will be held under the 2002 British Solo Youth Trials Championship Conditions - Pages 145/146.
2. Full details of sections will be announced on the day:
3. The car park and start/finish area is a **Silent Zone** - no riding around will be allowed:
4. Only competitors are allowed in the observed sections until a '5' penalty has occurred, or with the 'invitation' of the Chief Section Observer.
5. Any rider/assistant found altering sections that rider will be excluded from the results:
6. Riders/assistants are reminded of **TSR29** (Prejudicial Action)
7. **Punch Cards:**
  - a) Punch cards will be used and the **ONUS** of looking after these and ensuring it is punched correctly at each section rests entirely with the driver.
  - b) Any disagreement over the score punched, or errors, must be reported to the Secretary of the Meeting immediately upon completion of the lap. The Observer **MUST** be informed that this action is being taken as any error not verified by the Observer shall be deemed five marks lost.
  - c) Refusing to have the card punched, deliberately disfiguring or losing the punch card will result in exclusion for which no protest will be accepted.
  - d) Any driver reported to the Secretary of the Meeting for arguing with an Observer will be excluded.

Please adhere to the above and we will all have a good day's sport.

## GWENT POLICE INFORMATION LEAFLET

Where can I ride my bike?

On green lanes if your bike is road legal  
Otherwise only on proper practice tracks  
where permission is given  
at the site

### BEWARE

It is an OFFENCE to ride on Common Land  
open hillsides, council owned property or forestry.

Why not join a club and ride proper competitions.  
There are many of both in and around Gwent, details overleaf.  
Or with legal bike, and the exercise of a little courtesy to  
other users, ride the hundred of miles of green lanes in the  
County.

Parents - Don't buy your youngster a bike  
unless you know where it can be ridden legally.

### REMEMBER

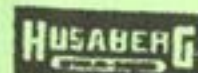

If you can't ride legally  
don't ride at all
