## The Mayor

MAY I take this opportunity of welcoming to Wallasey, all visiting riders, officials and spectators for today's great sporting event. The King's Parade Promenade course is one of the very few highways in England on which motor cycle racing can take place under powers enjoyed by a Corporation.

The first meeting held on the course a year ago as part of our Charter Celebrations programme, proved an outstanding success, due mainly to the excellent organising ability of the promoters, The Wirral 100 Motor Club, who must be gratified by the fact that maximum entries have been received for today's event.

It is a matter of sincere regret to the Mayoress and me that we will be out of the Town on this occasion but we do send to all competitors and officials our very best wishes for a happy day and safe riding conditions, and our hope that all the spectators will have an afternoon of really pleasant enjoyment.

A handwritten signature in cursive script, likely belonging to the Mayor mentioned in the text.
