DISS and DISTRICT MOTORCYCLE CLUB

SUPPLEMENT TO PROGRAMME 28th JUNE 1981

Just a few words to explain the alterations to today's programme.

This meeting was originally scheduled for May 31st but as the ground was waterlogged we had no choice but to postpone the meeting. Hence the date on the programme.

This has also meant some other changes and accounts for the major number of none starters as any rider that had entered for other meetings on today's date had to be released.

Some of these vacated positions have been filled by other riders. And in the case of the sidecars we have a larger entry.

Unfortunately in the Expert class this is not so as they are depleted by 10 riders most of whom are riding in the National Cotswold scramble at Stroud in Gloucestershire today.

If referring to this sheet and the programme to know who is who in a race is a bit tedious we sincerely hope this does not spoil your afternoons enjoyment.

There is still a very good entry which promises an excellent afternoons racing

W. Spurrell

Secretary of the meeting
