## SPECTATORS

... PLEASE NOTE!

A tremendous amount of work has gone into the organising of the routes by the Clerk of the course and his assistants. All this hard work could be ruined by thoughtless acts by spectators who fail to realize that a great deal of the route is on private land.

May I appeal to all those following the Trial to observe the Code of the Countryside by closing **all gates** behind them, extinguishing all matches and cigarette ends and thus preserve the goodwill of our farmer friends.

There were fewer complaints last year, for which I thank you—please keep up the goodwill!
