Weymouth Beach Race

On

Practice 12:00 noon

Racing 1:00pm

Family Entertainment at it's best.

www.puremx.co.uk

To all the riders at the Weymouth Beach Motocross and their support teams can I thank you all for joining us and making the event the great spectacle that it is.

We hope that it will be a fine day for you but you guys seem to be happy to race whatever the weather. As you know this is a charity event and we are trying to raise as much money as we can so that we can help those less fortunate than ourselves. Your contribution to the amount raised is greatly appreciated and with it we can let disadvantaged children go on school trips, help families visit sick children when they are in hospitals outside the area, provide entertainment for the elderly at our Christmas show, the list is endless. Some cases cannot be brought to the press as it would be too distressing for the recipients but please be assured that every penny we receive is used as no expenses, administrative or otherwise, are taken out.

Thanks for your help and we hope you have a great day in Weymouth.

Dave Woolford

President of Weymouth & Portland Lions Club

## WHAT THE MONEY RAISED IS USED FOR

Since the first beach race held on Weymouth Sands in 1984 the riders have donated over fifty thousand pound to the lions. Over the years we have used the money to purchase computers for the blind, tents for scouts and guides, mounting stage for Riding for the Disabled, train fares to allow families to visit sick children, a "resuscianne" which allows St John Ambulance staff to be able to train not only their own members but members of the public in the art of CPR, plus many other items too numerous to mention. The money from last year's race was used to buy a "Beach Buggy" which is a wheelchair with wide wheels which allows it to be pushed across the sands. This means that wheelchair bound members of a family, for instance, can join in all the fun of Weymouth Sands. We are currently looking to purchase a Trekker Breeze, a Sat Nav for the Blind, which once programmed will allow a blind person to navigate from home to wherever they wish to go plus an Eye Gaze communication device that detects eye movement. This will allow a profoundly brain injured young girl to communicate with her family.

The rider's donation to the club is always greatly appreciated and allow us to continue to "help those less fortunate than ourselves".

## Rockwell Race Discs

**420 Stainless Steel**

**Hardened and tempered**

**Open and solid designs**

**[rockwellracediscs@aol.com](mailto:rockwellracediscs@aol.com)**

Our discs are engineered totally in the UK from 420 stainless steel, which is one of very few grades of stainless steel that can be properly hardened, then laser cut, and then hardened and tempered to 33 Rockwell so that they are tougher than the genuine KTM discs (27 Rockwell) so they are more resistant to distortion and last longer than original KTM discs

Our designs fit all model KTM`s from 92 / 2015 all SX and EXC models.

All Discs @ £40 each + £5 postage

£80 a pair (any combination) + £5 postage
