# The art of winning

Just about every manufacturer would love to have Stefan Everts in their GP team. But this man knows a winning bike when he sees one. And so when he set out to win his first 500cc World Motocross title, Stefan knew that Yamaha would be his best choice.

From the YZ426F and YZ250F 4-strokes through to our YZ250, YZ125 and YZ85 2-strokes, Yamaha's '02 motocrossers have got what it takes. So call your local Yamaha Off Road dealer. And you too could discover the art of winning.

*Since 1980, Weymouth and District Lions Club has had the pleasure of helping with the organisation of the Weymouth Beach Supercross.*

*This has been made possible by the whole-hearted support of our friends in the Purbeck Moto-cross Club and the co-operation of members and officers of Weymouth and Portland Borough Council.*

*Special thanks must also be given to the riders of this beach race, whose entrance fees go towards our charity funds.*

*Beach Supercross is a spectacle not to be missed and its success is also due to all those friends of the Lions Club who provide equipment, machinery and materials to set up the course, often at little or no cost to the club. We thank all of them most sincerely for their continued support of this event.*

*The Lions motto 'we serve' encompasses help to the needy, those in distress and those who need a little help to set them back on the road to recovery or to enjoying life once more. Although we run events for old folk in the town and support individuals in times of need, much of the help given is never publicised because it would not be right to do so, but most of you will know that throughout the community, the country and the world Lions Clubs like ours in Weymouth are providing a humanitarian service to their communities.*

*We hope you enjoy today's Supercross and in turn help us to make it the fund-raising success it deserves to be.*

*President Weymouth and District Lions Club*
