Hello and welcome to the Weymouth Beach Race.

We are the Purbeck Motocross Club. We are a small, friendly club, with 13 riding members. We are very fortunate to also have help and support from family and friends from far and wide, which enables us to successfully run this Beach Race and many other events. The Weymouth Beach Race is the largest event in the Amateur Motorcycle Association (AMCA) calendar with some 300 riders taking part. It is also one of the few events of its kind held in this country.

With the event being held on the beach we are restricted by tide times. Practice starts at 11.00 am approx. A total of 300 riders will be taking part, split into groups of 100 riders according to ability, Juniors, Seniors and Experts. Each group will have races varying in length. The motorcycles used are race prepared competition machines, ranging from 125cc to 610cc, riders vary in age from 15 to 45. As well as many local riders, there are many riders from all over the South of England who take part.

New members are always welcome and if you would like to come along to a club meeting and join, the club meets at The Antelope Inn, Wareham on alternate Tuesdays. Details are available from Audrey Palmer on 01202 381 855

We wish you all the best and hope you have a very enjoyable day.

John Poppitt

John Poppitt, who died last weekend, first became involved with the AMCA in 1974 after the Macclesfield club joined the Association, he worked in Macclesfield and couple of riders asked him to help out as the Group Secretary and in 1975 he was elected as the AMCA's Northern Secretary, with Peter Stones the Co-ordinator.

At this time, the AMCA had 2 Midland Group of Clubs (East & West) and the North consisted of Bolton, Chester, Derby Sporting, Glossop, High Peak, Lancaster, Macclesfield, Manchester and North Staffs.

Meetings were held at the Old Millstone Inn, Macclesfield.

In 1976, John was largely responsible for starting the AMCA Northern Motocross League with the Clubs and also agreed to act as the Groups Press Officer, sending reports and results to Motor Cycle News (No T&MX in those days).

Events in the North at this time had practice at 12.00 with racing from 2.00 till 6.00 and entries of around 150 riders.

In 1976, John took over as the Co-ordinator and represented the Group at the AMCA Executive Committee meetings.

More Clubs joined including Tameside, Chorley and Preston, and the first club in Yorkshire at Bradford (Calderdale).

The Following year the Group meetings moved to Bolton and by the end of the year, plans were made to split the Group into two - Northern and North Midlands with John looking after the latter and Group meetings returning to Macclesfield.

The Group then had Chester, High Peak, Manchester, Macclesfield, North Staffs and Derby Sporting moved back from the East Midlands.

Several more clubs were to join and John attended every event sitting in the Race Control taking late entries, sorting out the paperwork and sometimes lap scoring and even commentating as well as working out the results.

During a period of short time working he travelled down to the AMCA Office at Walsall and helped out. He rarely missed an Executive meeting or the AGM's and 5 days before he died, he attended the Group meeting, taking the chair. He had suffered a mild stroke a few weeks previous which stopped him attending events.

Many 100's of riders must have met and spoken to him and he was the longest serving AMCA Co-ordinator, who was later elected as an AMCA Director when the AMCA became a Limited Company.

AMCA NEWS

... cont'd

He attended an early Inter Group Team event at the Brownhills track and was like a fish out of water not having his regular job in the Race Control, making sure all the paperwork and the event went smoothly.

The AMCA's expansion in the 60's and 70's from one Group in the Midlands to as many as 20 throughout the country, took a lot of effort and John Poppitt played a big part in the AMCA's growth in the North. A quiet chap who did not make a lot of fuss but was always there when it mattered. I spent many hours at meetings with him and was glad I saw him at what turned out to be his last meeting.

To his family and friends on behalf of so many people, we do appreciate his help and thank you for the time he gave to the AMCA and the sport.

Arrangements for his funeral have not been completed and anyone interested should contact the AMCA Office.

DON GREEN

Bernard Gleave

After riding in the second Sidecar race at the final round of the Sidecar Championship round at Norley on Sunday, Bernard collapsed and was rushed to hospital at Chester. Bernard has suffered a heart attack and had been upset by the news less than 24 hours before of John Poppitt. Like John, Bernard lives in Macclesfield and, in fact, had taken John to the Group meeting on the previous Tuesday as John was not allowed to drive.

Bernard was reported as having had a comfortable night on Sunday and his passenger, Dave Mandley, who saw him on Sunday night, thought he looked better.

He joined the Macclesfield club in 1974, when it first started, riding as a Junior Solo rider, having rode ACU previously.

A regular sidecar driver and chairman of the Macclesfield Club, as well as a Director of the AMCA, Bernard is well known throughout the AMCA and all members and friends will be wishing him a speedy recovery.

Super Class

Any rider who has won his qualifying series and wishes to be considered for the Super Class, which starts on October 20th, should contact the office. Only those whose series has been completed by the 20th will be considered, if there are any vacancies. The three top 4 strokes have been invited to fill the places caused by riders leaving the Association.
