Brake Performance

INTRODUCING THE X SERIES...
Sintered metal brake pads designed for the extreme demands of modern Off-Road riding. The X-Series offers unparalleled performance for every riding situation.

X1 COMPOUND - developed in the professional arena providing powerful & progressive braking on all terrain.

X2 COMPOUND - specially adapted rear disc for use in MX or Enduro racing on soft terrain (sand, mud etc).

X43 COMPOUND - high performance all terrain competition rear brake with excellent braking power and durability...in the harshest conditions.

Over 240 World Champions.

One Common Link...

Who will ever forget riders such as the entertaining Jacky Martens, the flamboyant Belgian Georges Jobe and the legendary Stefan Everts? In Enduro there's the incredible David Knight and his fellow factory KTM riders, Ivan Cervantes and Aro Samuli.

Only one common link unites these riders in their success.

They have all won World Championships on REGINA CHAINS.

To all the riders at the Weymouth Beach Motocross and their support teams can I thank you all for joining us and making the event the great spectacle that it is.

We hope that it will be a fine day for you but you guys seem to be happy to race whatever the weather. As you know this is a charity event and we are trying to raise as much money as we can so that we can help those less fortunate than ourselves. Your contribution to the amount raised is greatly appreciated and with it we can let disadvantaged children go on school trips, help families visit sick children when they are in hospitals outside the area, provide entertainment for the elderly at our Christmas show, the list is endless. Some cases cannot be brought to the press as it would be too distressing for the recipients but please be assured that every penny we receive is used as no expenses, administrative or otherwise, are taken out.

Thanks for your help and we hope you have a great day in Weymouth.

Dave Woolford

President of Weymouth & Portland Lions Club
