Family Entertainment at it's best.

To all the riders at the Weymouth Beach Motocross and their support teams can I thank you all for joining us and making the event the great spectacle that it is.

We hope that it will be a fine day for you but you guys seem to be happy to race whatever the weather. As you know this is a charity event and we are trying to raise as much money as we can so that we can help those less fortunate than ourselves. Your contribution to the amount raised is greatly appreciated and with it we can let disadvantaged children go on school trips, help families visit sick children when they are in hospitals outside the area, provide entertainment for the elderly at our Christmas show, the list is endless. Some cases cannot be brought to the press as it would be too distressing for the recipients but please be assured that every penny we receive is used as no expenses, administrative or otherwise, are taken out.

Thanks for your help and we hope you have a great day in Weymouth.

Dave Woolford

President of Weymouth & Portland Lions Club

ATTENTION IN THE PITS

It is your **RESPONSIBILITY** to return the transponder at the end of racing. Failing to do so, you will be charged for a replacement. If you take it home by mistake please return it to the AMCA office. Thank you.

RIDERS ARE TO USE THE RACE NUMBER ISSUED BY THE AMCA OFFICE. NOT USING THE CORRECT RACE NUMBER COULD AFFECT RACE RESULTS AND THE CLUB ARE NOT RESPONSIBLE FOR THIS!

NO engines running before 12 noon (because of church services)

NO power washers at this event.

ALL Races will start with a dead engine.

Please note any rider who is found course cutting will be disqualified from the Race!!

TRANSPONDER results will be final.

PRESENTATION will take place as soon as possible in the "Ocean Room".

Many thanks

Alf Stearn

WHAT THE MONEY RAISED IS USED FOR

Since the first beach race held on Weymouth Sands in 1984 the riders have donated over fifty thousand pound to the lions. Over the years we have used the money to purchase computers for the blind, tents for scouts and guides, mounting stage for Riding for the Disabled, train fares to allow families to visit sick children, a "resuscianie" which allows St John Ambulance staff to be able to train not only their own members but members of the public in the art of CPR, plus many other items too numerous to mention. The money from last year's race was used to buy a "Beach Buggy" which is a wheelchair with wide wheels which allows it to be pushed across the sands. This means that wheelchair bound members of a family, for instance, can join in all the fun of Weymouth Sands. We are currently looking to purchase a Trekker Breeze, a Sat Nav for the Blind, which once programmed will allow a blind person to navigate from home to wherever they wish to go plus an Eye Gaze communication device that detects eye movement. This will allow a profoundly brain injured young girl to communicate with her family.

The rider's donation to the club is always greatly appreciated and allow us to continue to "help those less fortunate than ourselves".

SKEGNESS BEACH RACE

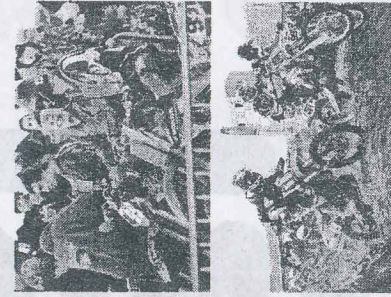

Last year saw the introduction of the AMCA's first ever Skegness Beach Race on the illustrious Lincolnshire site - one of the best beaches in the country. Skegness' 1 and a half miles of sandy coastline is perfect as the tide rarely moves onto the top section of beach, leaving a lush deep and dry sand for riders to enjoy and test their skills over enduring races.

Top honour receives a whopping £1000 in the Adult Solo Class, whilst £200 goes out to the winner of the both the Sidecar and Quad classes, as well as a mammoth amount of other top prizes from each of the title sponsors. The Skegness Town Council have extended the opening times of the season to coincide with the weekend of beach racing meaning all pubs and clubs will be open and completely buzzing!

For further information on the Skegness Beach Race, including the full timetables, prizes, and images from last year, please visit the AMCA website. **ALL RIDERS WELCOME FOR A GREAT WEEKENDS RIDING & ENTERTAINMENT!** Riders can enter online directly from the AMCA website or a number of outlets, so don't forget to book at the weekend and your chance at winning a whopping grand prize money! Let's see who can see top the 14,000 spectators that turned our last year - All free of charge of course!

Robert Plant Engineers are this year on board for preparation of the magnificent circuit, which again see's beach race guru Rob Meek and established Richard Rose at the reins of track design. The event runs on the 12th and 13th November with classes for the quads and sidecars, kids aged 9-15, youth under 18, and a mammoth Adult Solo Race. The entry fees for the event have been kept as minimal as possible at the standard entry up until 24th October and an additional £20 for entries from 25th October onwards, so book in quickly, space is limited! Entry fees are all inclusive and include entry, health & safety, and camping. Spectating is completely free of charge too, so bring the family and enjoy the whole weekend!
