Hello and welcome to the Weymouth Beach Race.

We are The Purbeck Motocross Club. We are a small, friendly club, with some 22 riding members, both male and female. We are very fortunate to also have help and support from family and friends from far and wide, which enables us to successfully run this Beach Race and many other events.

The Weymouth Beach Race is the largest event in the Amateur Motorcycle Association (AMCA) calendar, with some 300 riders taking part. It is also one of the few events of its kind held in this country.

With the event being held on the beach we are restricted by tide times, with low tide times being between 12.30 and 17.00. Racing will take place between these hours, with practice starting at 12.15 approx. A total of 300 riders will be taking part, split into 3 groups of 100 riders according to ability, Juniors, Seniors and Experts. Each group will have 2 races varying in length. The motorcycles used are race prepared competition machines, ranging from 125cc to 610cc riders vary in age from 16 to 45. As well as many local riders there are many riders from all over the South of England who take part.

New members are always welcome and if you would like to come along to a club meeting and join, the club meets at The Antelope Inn, Wareham on alternate Tuesdays. Details are available from Audrey Palmer on 0202-742586.

We wish you all the best and hope you have a very enjoyable day.

Foreward by Norman Stagles - President  
Weymouth & District Lions Club.

### **"Thank you for your donations"**

Once again Weymouth Lions Club are proud to be part of this unique event in the motorcycle racing calendar.

We are extremely grateful to the Purbeck Motorcycle Club and the Leisure & Entertainment Department of Weymouth & Portland Borough Council for staging the event.

Weymouth & District Lions Club are raising money for local charities and needy causes, and our thanks goes out to all the competitors as part of their entrance fee is donated to us. You have already helped with your programme donations. However, we need as much money as we can get to help people who are less fortunate than us, so please support the charity stalls.

We would also like to thank all the advertisers and sponsors who have supported the event this year and of course all the voluntary helpers who give their time freely to provide a great afternoon's entertainment.

Enjoy the racing!

### ANNOUNCEMENTS

It would be appreciated if all those attending today's meeting would kindly read the following announcements, which are of direct interest and concern to them.

#### WARNING

MOTOR SPORT IS DANGEROUS AND PERSONS ATTENDING THE MEETING DO SO ENTIRELY AT THEIR OWN RISK.

"It is a condition of admission that all persons having any connection with the promotion and/or organisation and/or conduct of the meeting, including the owners of the land and the drivers of the vehicles, are absolved from all liability arising out of accidents howsoever caused resulting in damage and/or personal injury to spectators or ticket holders."

#### POLICE NOTICE

Owing to the increasing number of thefts of and from motor vehicles at meetings similar to that which you are now attending, the Police strongly advise you to lock your car, or immobilise your motor cycle, and to remove all articles of value. If your vehicle is stolen you may be reimbursed for its loss, but you will get no compensation for the months of

inconvenience suffered whilst awaiting the results of your claim. If you have left your vehicle insecure, spare a few minutes to immobilise it. It could save you hours in the weeks to come.

#### DOGS

Under no circumstances are dogs allowed within the precincts of the Course. This ruling will be strictly enforced.

#### CROSSING THE COURSE

Under no circumstances should you cross the Course whilst racing is in progress. At such points where it is permissible to cross the Course, a marshal will indicate when it safe to do so.

#### FLAG SIGNALS

Chequered Flag...Finish. Black Flag with number displayed...Driver riding machine bearing that number to stop. Red Flag...Danger-All machines stop. Yellow Flag...Caution.

#### NOTICE TO RIDERS

Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding in the paddock. Liability for any claim could rest with the owner of the machine being used (or the parents in the case of a Minor).
