To all the riders at the Weymouth Beach Motocross and their support teams can I thank you all for joining us and making the event the great spectacle that it is.

We hope that it will be a fine day for you but you guys seem to be happy to race whatever the weather. As you know this is a charity event and we are trying to raise as much money as we can so that we can help those less fortunate than ourselves. Your contribution to the amount raised is greatly appreciated and with it we can let disadvantaged children go on school trips, help families visit sick children when they are in hospitals outside the area, provide entertainment for the elderly at our Christmas show, the list is endless. Some cases cannot be brought to the press as it would be too distressing for the recipients but please be assured that every penny we receive is used as no expenses, administrative or otherwise, are taken out.

Thanks for your help and we hope you have a great day in Weymouth.
