THEY ARE CONCERNED WITH YOUR SAFETY

Hello and welcome to the Weymouth Beach Race.

We are the Purbeck Motocross Club. We are a small, friendly club, with 13 riding members. We are very fortunate to also have help and support from family and friends from far and wide, which enables us to successfully run this Beach Race and many other events. The Weymouth Beach Race is the largest event in the Amateur Motorcycle Association (AMCA) calendar, with some 300 riders taking part. It is also one of the few events of its kind held in this country.

With the event being held on the beach we are restricted by tide times. Practice starts at 12 noon approx. A total of 300 riders will be taking part, split into groups of 100 riders according to ability, Juniors, Seniors and Experts. Each group will have races varying in length. The motorcycles used are race prepared competition machines, ranging from 125cc to 610cc, riders vary in age from 15 to 45. As well as many local riders, there are many riders from all over the South of England who take part.

New members are always welcome and if you would like to come along to a club meeting and join, the club meets at The Antelope Inn, Wareham on alternate Tuesdays. Details are available from Audrey Palmer on 01202 381 855.

We wish you all the best and hope you have a very enjoyable day.

Welcome to the Weymouth Beach Motocross 1997. Weymouth Lions Club, Purbeck Motocross Club and Weymouth & Portland Borough Council Leisure Department yet again bring you this spectacular event to raise money to help needy causes in the Weymouth area. This very popular event is totally free so please give generously so that we can help others less fortunate than ourselves.

On behalf of Weymouth Lions Club I would like to thank you for buying this programme. Thanks must also go to the Purbeck Motocross Club and the riders for providing such exciting entertainment and for donating part of their entrance fee to our cause, the sponsors and advertisers for their generous support and, finally, to all the volunteer helpers for giving up their Sunday and helping to make this day such a success.

Thank you one and all, have a great day.

5 Year Old Machine Wins Super Class

24 year old Barry Holley from Frome won the AMCA's Super Class Championship on Sunday riding a 1992 - 490cc air cooled Yamaha. He finished 1st over the 3 rounds winning the title by 9 points from Sean Grosvenor with Patrick Crump of the Clee Hill Club 3rd. Holley, a member of the Bath club who had finished 3rd in the AMCA 750's championship, took 6th place at the Northampton clubs event scoring 32 points which clinched the title. Patrick Crump from Ludlow scored his best result to date with 3rd place in the Super Class riding a 250 Honda on which he had managed 7th in the 250 class. The class winners who gain the Ray Edwards awards were 250 - Sean Grosvenor, 125 - Paul Willis by 1 point from Mark Millward and the 500 to Barry Holley.

Congratulations Northants Club

With non stop rain on Saturday the Northampton AMCA club worked throughout the day and again on Sunday to dry the track out which ended up in perfect conditions. Led by Lionel Beck, the club chairman, the members cleaned all the pools of water and were congratulated by many of the Super Class riders at the end.

Poor Turnout

One sad note was the non appearance of 26 total East group riders plus 3 of the Super Class who had entered but failed to show up. This did not deter the Northants club who have already asked for the event again, next year.

Championship News for 98

Several riders who have qualified for the 98 AMCA Moto Cross have applied to change classes including Sean Grosvenor who wants to move to the 125 class. Riders who want to change must write in to the AMCA office as soon as possible - preference will be given to riders who finished the highest.

Several riders have not qualified for 98 by failing to complete their local group events and these include the Bradley brothers, Adrian and David, and David Dunn, all of the Redditch club and Internationals. They have not competed in 8 local events and so do not qualify for next season even though they finished in the top 15 in this years championships.

Championship Events in 1998

Clubs interested in staging 98 championship rounds should apply in writing to the AMCA office as several have already been received. Also the AMCA have to stage 3 International events and again clubs interested should apply by the end of the month as the IMBA dates will be finalised in November. Only clubs with tracks graded Super Grade A1 should apply except for Super Class, which can be Grade 1 or 2 - possibly 2 due to less than 30 starters and their events are usually held late in the season.

Inter Club

This annual event on November 2nd at the Nympsfield track has so far only had 5 clubs respond - Uley, Upton, Clee Hill, Rugby and possibly Hillingdon. The event will now be open to any club who can field 6 experts or seniors and can take 2 more riders as reserves. Please contact the AMCA office as soon as possible, we don't require the names yet, just the name of the teams who hope to compete.

Inter Group

As the demand for the Inter Club is so poor the Inter Group will not be run this year and may alternate with the Inter Club in future years. The problem with these two events is finding a suitable date which does not clash with either 'home' or foreign championship rounds.

Classic News

The annual get together of the clubs involved with organising classic scrambles will be held on Sunday 9th November at the AMCA office. Fixtures for the 98 season will be arranged and a review of the rules. Due to the size of the room this meeting is limited to two per club. This does not prevent any Classic Licence Holder from sending in written proposals for discussion and these should be sent to the AMCA office to arrive at least 14 days before the meeting so they can be circulated to all affiliated clubs. Only clubs who organise AMCA Classic Scrambles can vote.

Shepperton Club have cancelled the Moto Cross on October 26th.
