PRESENTATION of AWARDS

POINTS SCORING FOR TODAY'S MEETING

The 1st rider in each class gains 15 points; 2nd = 12 points; 3rd = 10 points;
4th = 8 points; 5th = 6 points; 6th = 5 points; 7th = 4 points; 8th = 3 points;
9th = 2 points and 10th = 1 point.

The winning rider in each class is the rider with the highest number of points.

All races shown in the programme will count.

*Any additional races not shown in the programme
will not count towards the overall position.*

Any ties will be settled by the results of the last race in each class.

Hello and welcome to the Weymouth Beach Race.

On behalf of the Purbeck Moto-cross Club I'd like to welcome you to the Weymouth Beach Race.

As most of you know the Purbeck Club is quite small by AMCA standards but this does not stop a big event like the beach race, from taking place. We are fortunate, no, I would say extremely fortunate, to have the help and support of so many friends. These come in the shape of the x-riders and their families and many people who are as enthusiastic for this event as we are.

The great thing about any beach race has got to be, for me anyway, the start, with up to 100 riders from a dead engine start racing across the beach. With most other beach races you only get one of these. Here at the Purbeck Beach Race you get six!

As with normal AMCA rules, the riders are graded Juniors, Seniors and Experts. Practice is at 12.00 noon with the first race at 1.00 pm. Not only for the South West Group riders we also try to encourage and offer this race meeting to AMCA riders from anywhere in the country.

Last but certainly not least, I would like to thank Portland Plant Hire Ltd, in particular Mr & Mrs D. Hedgeman as without their support in the way of men and machines to construct the course, this event could not take place.

So I wish each and everyone of you a great day's racing and hope to see you at the trophy presentation.

*Alf Stern
Chairman*

Since 1980, Weymouth and District Lions Club has had the pleasure of helping with the organisation of the Weymouth Beach Supercross.

This has been made possible by the whole-hearted support of our friends in the Purbeck Moto-cross Club and the co-operation of members and officers of Weymouth and Portland Borough Council.

Special thanks must also be given to the riders of this beach race, whose entrance fees go towards our charity funds.

Beach Supercross is a spectacle not to be missed and its success is also due to all those friends of the Lions Club who provide equipment, machinery and materials to set up the course, often at little or no cost to the club. We thank all of them most sincerely for their continued support of this event.

The Lions motto 'we serve' encompasses help to the needy, those in distress and those who need a little help to set them back on the road to recovery or to enjoying life once more. Although we run events for old folk in the town and support individuals in times of need, much of the help given is never publicised because it would not be right to do so, but most of you will know that throughout the community, the country and the world Lions Clubs like ours in Weymouth are providing a humanitarian service to their communities.

We hope you enjoy today's Supercross and in turn help us to make it the fund-raising success it deserves to be.
