The organisers reserve the right to alter or omit any part of the programme.

Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding in the paddock. Liability for any claim could rest with the owner of the machine being used (or the parents in the case of a minor).

NOTICE TO THE PUBLIC

This event is being held on private property and you are strictly forbidden to cause damage in any way. Spectators are forbidden on the course or in the competitors paddock or to proceed beyond the spectator area. Persons ignoring the course marshals do so at their own risk. The promoters DO NOT except responsibility for any accident arising there from.

Due to the increase in the number of thefts of and from motor vehicles especially riders vehicles, during similar scrambles, the Police strongly advise you to lock your vehicle and remove any articles of value.

FORCE (*Friends of the Oncology and Radiotherapy Centre Exeter*) believes that anyone affected by cancer deserves the best possible treatment and professional support close to home and face-to-face.

That includes patients and their loved ones.

Founded in 1987, the charity funds local research and supports innovation to improve patient care at the Royal Devon & Exeter Hospital.

It also runs a Cancer Support and Information Centre in the grounds of the RD&E, open every weekday 9:30-4:30 (Wednesdays 6:30) for people needing physical, emotional, psychological and practical support at a difficult time in their lives.

There are information nurses on hand to help with questions and offer advice, counselling services for individuals and within support groups, including for children and young people, plus complementary therapies, exercise guidance, relaxation and mindfulness sessions, a benefits advice service, help to cope with hair loss and a wig fitting service.

FORCE also offers support and information sessions once a week in Tiverton and Okehampton where the charity also funds the delivery of chemotherapy.

All of FORCE's services are free of charge. FORCE receives no Government or NHS funding and needs to raise £1.7million every year to maintain the services it offers.

That money comes entirely from voluntary contributions.

DEVON CLASSIC MCC LTD PRESENTS

BANK HOLIDAY BELTER CLASSIC SCRAMBLE

By kind permission of the landowner

Welcome to The Bank Holiday Belter, here at Devon Classic's Widworthy 2 track.

We are here with the kind permission of The Broom family. Sadly, Nigel Broom, who owned and farmed this land, passed away a matter of days ago after his prolonged battle with cancer. Our thoughts and commiserations are with Nigel's family at this difficult time.

I didn't know Nigel but one of our club members who did know him, when passing on the news to me said "He was a character, a top bloke".

I'm sure that there is much more to be said about Nigel, but that seems to me to be a wonderful epitaph.

It is fitting that we are running "The Force Charity Relay Race" today, which will be run after the interval. Force support families that are coping with the effects of cancer and other devastating illnesses.

We are also hosting round 5 of The British Classic Motorcross Championship. This is contested in two classes for pre 1965 and pre 1974 machines. These riders are the best classic scramble riders in the country and should provide fast and furious racing.

With these and our normal racing classes we hope you enjoy a great days sport. If you are a rider, non rider or past rider and wish to be a member of the Devon Classic Motorcycle Club we can be found on Facebook. Our meetings are held just outside Exeter and you'd be most welcome.

ENJOY!

STORM FORCE CHARITY RELAY

The Devon Classic Motorcycle Club have for several years supported the Force Cancer Charity. This year we decided to have a bit of fun whilst still raising a donation for this local good cause.

Riders have been encouraged to get together combining different classes of riding groups in to teams of four.

To help you understand what is going on Race 9 will move away from the start gate and on 'go' the first rider will start on his first lap of two. Returning to a holding area a team supporter will move the timing device from the incoming bike to the next, until all the riders have ridden. The first team over finish line wins.

So simple! So sit back and enjoy the planned chaos.

The real winner in all this is the charity.
