THE SCRUTINEER'S AWARD

At our 31st May Mallory Meeting last year a new Award was introduced and was so well received it has become a regular Award at all our Meetings.

The criteria for THE SCRUTINEER'S AWARD is not just the best "turned out" machine (Solo or Sidecar) but one that also finishes its Races. Our hard-working and knowledgeable Scrutineers, ably led by Paul Brown, have a vote during the day, with Paul presenting the deserving winner with the Award sometime during the afternoon. Paul says that in view of the very high standard of the bikes at our meetings (well done lads and lasses! – Sec.) their choice is now very difficult. At our 30th May John Newbold Trophy meeting at Mallory, the Award was presented not to an individual – but the Richard Thraves Racing Team. They had two immaculate 125c.c. Hondas competing at Mallory. One was ridden by Kevin Thraves and the other in the 250c.c. Open Class by Tony Goldstraw. As both bikes have been "thrown down the road" earlier this year, all credit must be given to the team for restoring the bikes to "as new condition." Well done Richard and the Team!
