FUTURE N.G.M.C.C. DATES

JULY 27th — GAYDON

SEPTEMBER 21st — GAYDON

THIS IS YOUR CLUB

WELCOME to our new Wroughton Circuit. As you can all see, the distance has been reduced from 3.4 miles to 1.5 (The same size as Gaydon), but the quality of the track has been maintained and your viewing of the racing, has we hope, been greatly improved allowing almost complete vision of the entire circuit.

We can promise you a really first-class days racing as the standard of entry today is probably one of the highest we have ever had the pleasure of presenting.

As in previous meetings, a number of sponsors have put up awards for nominated finishers especially Messrs. Smith and Nephew (Elastoplast) and Western Cycle Centre, Swindon. A new inovation is an alteration to the 125 cc which now includes single cylinder machines up to 250 cc which should make for a lot more interest in this event.

Our thanks to our regular friends who help make these meetings a success, the Marshalls, Helpers, Red Cross, Commentators and Timekeepers. We would also voice our sincere thanks to the Commander of Wroughton who has so kindly given his permission for this meeting.

Once again our reminder to you to kindly take your litter home with you, as we must leave this circuit spotless! Please enjoy your days sport and thank you for coming.
