## Mac Taylor

Sadly Mac Taylor passed away in January of this year.

Mac was well known by many of you, always a willing worker over the past 28 years at our Scrambles meetings and often on a 360' digger levelling the track.

He was a well-respected bike builder and over the years has built many Metisse and Harris framed specials, a skill he proudly boasted that he learnt from his great friend Pat French of MRD Metisse fame.

Having retired from riding a few years ago, he was over the moon to travel to meetings with his son Matty and cheer on both him and Martin Coleman.

Mac will be missed by his family and many friends.

The club felt it would be very fitting to include Macs name alongside Pat French at this memorial meeting.

## John Cashnella 1933 - 2018

John was a keen sportsman taking part in rugby and motorcycle events. He rode his first trial in 1953 and his first scramble in 1954 on the same 197cc Dot. Enjoying his first win that year at the Farleigh Castle circuit.

Continued riding and success came on 250cc and 350cc Velocettes and in 1962 John bought a new 250cc Greeves enjoying instant success with 3rd place at the Bath & West Scramble at Toghill.

After many years of retirement, in 1992 John was invited to ride at a Bath Classic Scramble at North Stoke. He bought a 250cc Greeves again and enjoyed it so much he continued to race for another 20 years. Retiring on his 80th birthday at a European Classic Motocross meeting at Reading, John was proud to say that he was the oldest registered rider on the European circuit.

Since his retirement he has supported Scrambles in Britain and across Europe always warmly greeted by competitors old and young alike. Often finding chatting in the pits to be more important than watching the racing.

To everyone that knew him he will be remembered as "Mr Nice Guy" in the true sense of the word, a real gentleman.

## Rest in Peace John
